

(OKB) Weed Brush

The weed brush can be linked to the (mini)shovel, (mini)crane, tractors, spike etc.

By using a movable function with the pivot on front of the vehicle, is a large swivel range possible. Actually 70 degrees to the left and the right, this ensures that the weed brush can move far in addition of the vehicle. This gives a good view on the brush.

The weed brush is designed with a oscillating construction, which ensures that the brush follows the ground. Because of this it is not necessary to correct the height by unevenness of +/- 15 cm. At the same time this allows the angle of the brush can be patched, by lifting or dropping the frame, for a more or less aggressive working.

- The diameter of the brush is 750 mm. Option 1000 mm (only with steel cable). By the 750 mm brush it is possible to choose for (1) 76 bundles steel sheets or (2) 36 bundles steel cable.
- With two hydraulic functions the brush can be operated.
- Available with a brush of steel sheets or steel cable.
- As option it is possible to get a rubber flap, which is adjustable in multiple modes.
- Weight 200 kg.
- An option is the edge knife. The knife is hydraulically folding through a cylinder.

Price WITHOUT BUILD ON PARTS:

• Fixed version	€ 1.600,-
• Mechanical swivel version	€ 1.995,-
• Hydraulic swivel version	€ 2.250,-

Optional:

• Movable rubber flap	€ 295,-
• Electric use of turning and swivelling the brush with 1 function.	€ 600,-
• Electric use of turning, swivelling and tilting the brush	€ 850,-
• Joystick with magnetic base and cable for operating	€ 150,-
• Removable mounting parts	€ 125,-
• Edge knife	€ 1.550,-
• Brush diameter 1000 mm, 44 bundles steel cable	€ 200,-
• Advice by intensive use	
• Return flow connection	€ 75,-
• Pressure relief valve	€ 125,-

It is possible to choose an option which ensures that the brush can tilt 15 degrees. The advantage is that the brush can be used more aggressive. This option can be operated either mechanical or hydraulic. The prices are as following:

• Mechanical adjustment	€ 350,-
• Hydraulic adjustment	€ 450,-

Prices for individual brushes:

• 750mm with 76 bundles steel sheets	€ 185,-
• 750mm with 36 bundles steel cable	€ 200,-
• 1000mm with 44 bundles steel cable	€ 275,-
• 750mm with 76 bundles nylon	€ 185,-

For mounting parts see page 51-53.
