

## (BKROZ) Heavy round bale clamp

Large clamping range of Ø 700 – 1.900 mm, can also hold small and large bales of 1.800 mm round. Max width 2.250 mm.

- This grabber is provided with movable clamping arms so that the bale is always maximum clamped around.
- Equipped with a piloted check valve so that the bale always hangs quietly.
- The double version is provided with sliding tubes in plastic guide with movable clamping arms.
- Weight single version ± 560 kg.
- Weight double version ± 925 kg.
- Suitable for bales up to 2.200 kg.
- Price with hoses and 'male' connection, without attachment parts.
